Be Kind to Animals Day: Experience has shown us that kids love animals and we think that's great!! But do kids really know what it means to be KIND to animals? Ask most kids what it means to be KIND to animals and they will tell you that you have to feed them and give them water. That's a great start, but being KIND means much more.

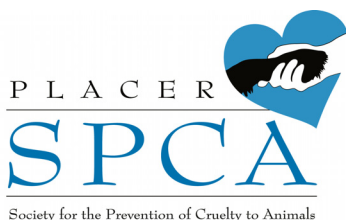

The day will include games and activities that will teach children what it means to be KIND to animals, a guided tour of our Adoption Center, visits from a few of our current and former resident animals and some helpful training tips.

Participation is limited, so don't delay! Registration packages must be received by May 1, 2010 to reserve a spot for your child.

*Please note: We will **NOT** have any refreshments available for this event.*
