

## MEET A SPECIAL ANIMAL

The Placer SPCA's portion of the day's entertainment, including the tour, will be approximately one to one and a half hours in length, depending on the size and age of the group. A Placer SPCA representative will be there with one of our ambassador dogs for the entire two hours.

Parents should plan some type of activity for the remaining time of the party.

### Don't forget our animals love presents too!

If everyone in your group would be willing to bring a gift for the animals, we would be happy to discount the fee for this program.
