Adopt a Lucky Green-Eyed Cat at the Placer SPCA The Adoption Fee is Waived for Green-Eyed Cats in March

Roseville, CA – In need of a little luck this St. Patrick's Day? Adopt a Lucky Green-Eyed Cat from the Placer SPCA! At the Placer SPCA, we know our cats bring luck. You can return the favor and bring a little luck to a cat waiting for adoption by taking home a green-eyed cat with no adoption fee during the month of March.

This special promotion to waive the adoption fee applies to all green-eyed cats over the age of six months. This includes emerald-eyed beauties like:

- Callie, a sweet 12-year-old who hasn't noticed that she's gotten a little older when it comes to playtime
- Gopher, a two-year-old who loves to be the center of attention and to be held and cuddled
- Carter, a shy but loving three-year-old with just a touch of goofiness to keep you smiling

The Placer SPCA is located in Roseville and serves Placer County. Local companion animal welfare experts, the Placer SPCA offers services and programs for the pets and people of Placer County including adoptions, affordable spay and neuter assistance, behavior advice, humane education programs for youth, and low-cost rabies and microchip clinics.

All adoptions from the Placer SPCA include spay or neuter surgery, microchip, vaccinations, and a voucher for a free veterinary exam. Please visit www.placerspca.org for more information.
