Leave Your Legacy Through Charitable Planned Giving

Roseville, CA – Does leaving a legacy for a worthy charity mean shortchanging our families? Not at all. Do you need to be wealthy to have an Estate Plan? Absolutely not. At the Placer SPCA's Estate Planning Workshop on **Thursday, October 22** beginning at noon, attendees will learn how Estate Planning can help them meet personal, family, and charitable giving goals, in any income bracket. Charitable giving through an estate plan is a way to leave a lasting legacy to a worthy cause while providing tax benefits for your estate.

This workshop is for educational purposes only. No one will be solicited to purchase services. Attendees will learn about many different kinds of charitable planned giving, including a unique opportunity called a Charitable Gift Annuity. This vehicle allows the donor to receive a guaranteed income during his or her lifetime, with any remaining proceeds of the annuity given to a nonprofit upon death. The Placer SPCA is currently one of only a few nonprofit organizations able to offer a Charitable Gift Annuity through a partnership with the Sacramento Region Community Foundation.

Advance sign-up is requested for this free event that includes a light lunch. Those interested are asked to contact the Placer SPCA Development Department by Monday, October 19 at (916) 782-7722, extension 102 or (530) 885-7387, extension 102 or funddevelopment@placerspca.org.

Local companion animal welfare experts, the Placer SPCA offers many services for the pets and people of Placer County thanks largely to the generosity of individual charitable donations. Learn more at www.placerspca.org.
