It's Ladies' Choice at the Placer SPCA All Adult Female Cats Available with No Adoption Fee

Roseville, CA – May flowers aren't just for mothers. In honor of the spirit of May, the Placer SPCA is waiving the adoption fee for all female adult cats one year and older. These beautiful ladies are spayed, of course, and they make a graceful addition to any family.

Among those included in the promotion for the month of Mother's Day is a long-term, very special cat named Toffee.

Toffee has been waiting for her forever home since January 2009. In her 16-month stay at the Placer SPCA Companion Animal Center, Toffee has become a favorite of staff and volunteers.

"She's just waiting for someone to take the time to get to know her the way we have," said Placer SPCA CEO Leilani Vierra. "She can be standoffish when meeting a person for the first time, but once she warms up she's an absolute love who craves your attention."

Toffee is, by far, the longest current resident at Placer SPCA. She is a tortoiseshell with beautiful, flowing fur and golden eyes. She can be independent and opinionated, but those who know her best love her because of – not in spite of – her unique personality. She loves to play and is not recommended for a home with young children because she can sometimes be a little rough. She should be the only pet.

All cats adopted from Placer SPCA receive a FELV/FIV test, FVRCP, Rabies vaccinations, and microchip. Adopters receive a voucher for a free veterinary exam. Local companion animal welfare experts, Placer SPCA urges all pet owners to have their dogs, cats, and rabbits spayed and neutered.

To adopt a female adult cat in May with no adoption fee, contact Customer Care at (916) 782-7722 or (530) 885-7387, extension 100 or email customercare@placerspca.org.
