## FOSTER A SPECIAL NEEDS CAT

Take this volunteer foster class to learn how to care for cats who are recovering from medical treatment or needing a break from shelter life.

**Sunday, April 22:  
2:00 - 3:30 pm**

**Wednesday, May 23:

Foster volunteers provide cats with a low-stress, supportive environment in which to recover from surgery or recent illness. This will enable cats to more quickly and safely recuperate and allow us to provide a higher overall quality of care for our animals

Topics will include:

- Symptoms of illness
- Basic supportive care
- How to administer basic medications
- Creating a low stress environment
- Post surgery recovery
- The importance of TLC
- Encouraging sick cats to eat

Attendance at this class is required to foster a special needs cat. This class is open to current Placer SPCA volunteers who have previously attended either Volunteer Orientation or the basic Foster Care Class.
