At the Placer SPCA this year, more homeless cats than ever are flooding into our center. With the love and care of dedicated volunteer foster parents, kittens are given a better chance at health and finding forever homes.

**If you can't foster but want to help, you can donate kitten food or make a monetary donation to the Placer SPCA.**

### What's required to be a foster parent?

- You will need a small space in your home where fosters can be isolated from your other pets.
- Kittens typically stay in foster care until they are 8-10 weeks old.
- Many need bottle feeding, while some just need the care and attention they cannot receive without your help.
